

## **Little Know Free Library Services**

### **Free Computer and Resume Help at your Local Library**

Need help with setting up an email account? Or maybe you want help formatting a resume? Look no further than your local Woodlawn Branch. The Woodlawn Branch of Baltimore County Public Library (BCPL) is offering one-on-one appointments to customers who would like help with a wide range of general technology skills, as well as job-seeking tips and resume formatting guidance.

We've offered the service since April and will continue to offer the service at all BCPL branches. The following skills are just a sample of what we offer:

- How to Use a Computer
- How to Use Facebook
- How to Set Up Email
- How to Format a Resume
- How to Download Ebooks to Kindles, Nooks or iPads

And best of all? These sessions are 100% free to all BCPL customers. For additional information or to set up an appointment, come by the library at 1811 Woodlawn Drive or call us at 410-887-1336. We look forward to hearing from you!

To keep up with all of our exciting offerings, be sure to check out our website for upcoming events:
