

Animal Owner Responsibility

Baltimore County Code

Article 12 Animals

Title 3. Animal Welfare

Subtitle 1 Owner Responsibilities

12-3-106 Animal Waste

The owner of an animal shall remove excreta deposited by the animal on public byways, recreational areas, or private property.

The property owner can receive a citation for animal waste on their property.

It is important to identify and report the offender; otherwise the property owner will be responsible for removing the animal waste from their property.

Your neighbors can provide an extra pair of watching eyes when you are not available to watch.

Try to get a clear photograph of the person with the animal in the act, as positive proof, or witness's, then Notify the Police.
