communities represented at the meeting (see attendee chart below for a list of communities present).

It was suggested that everyone contact their Community Associations to see if members are interested in attending the next NSTBC monthly meeting scheduled for Monday, September 10, 2012. In this way, we can see what the communities need from NSTBC and can determine if citizen patrols or other initiatives need to be set-up for support.

We also discussed the possibility of providing food for this meeting; although, we aren't sure of how many member communities would be in attendance.

The meeting was adjourned at 8:05 p.m.
